Fifteen minutes could save a life. That's all it takes for Francine's Mobile Mammography Unit to provide potentially lifesaving services. This year the unit will be at our event from 8:00 a.m. to 3:00 p.m.

To schedule an appointment, call 260-483-1847. Tell your friends and family to schedule an appointment too. Walk-in appointments are available, depending upon the schedule that day.

- Liver function
- Kidney function
- Cholesterol
- High Density Lipoproteins (HDL)
- Low Density Lipoproteins (LDL)
- Triglycerides and more

Offering the PSA Test \$20

Offering CRP Test \$20

No smoking, drinking or gum chewing prior to test. Normal medications should be taken with small sips of water. Please do not fast if you have a medical condition which makes fasting unreasonable.

A detailed report will be sent to you.

Immunizations by Parkview Home Health & Hospice

Flu Injections \$21
(No charge with Medicare Part B)

Pneumococcal
(Pneumonia) Vaccine \$35
(No charge with Medicare Part B)

The Centers for Disease Control and Prevention recommend pneumococcal vaccinations once every five years for those younger than age 65 and a one-time pneumococcal vaccination for those 65 and older.

Check with your primary care physician to see if you have had this vaccine.

Please remember to wear a shirt with sleeves that can be easily rolled up past the elbow.
