

UNITED WE FIGHT. UNITED WE WIN.

LIVE UNITED[®]

UNITED WE WIN.

To empower local individuals and families with the tools they need to be safe, happy, and fulfilled, United Way of Allen County is united by community engagement.

UNDERSTANDING THE COMMUNITY.

Like any region, Allen County has its own unique needs. We act as catalysts and conversation starters, bringing up the big questions and outlining the steps needed to address them.

CONNECTING THE COMMUNITY.

To break down the barriers that keep our neighbors from living safe, healthy, fulfilling lives, we build bridges to connect organizations with one another and with the people who need them most.

INVESTING IN THE COMMUNITY.

Whether gifts take the form of your voice, talents, or resources, change comes from investing the right resources, at the right time, toward the right causes. We make careful choices and build strategic partnerships to ensure that every dollar invested makes a \$2.06 impact in the community.
